Douglas Sturk, Jr., Cincinnati, OH
Phil Davis at B & D Comics, Roanoke, VA

This publicaton is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are *The Comic Book Price Guide* by Robert Overstreet and *The Comics Buyer's Guide* by Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50 percent of these values for major and hot titles, and 20 percent or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT- A perfect comic in every way.

NEAR MINT- A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE- Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE- A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD- A very worn comic with creases, minor tears, cover flaking apppearant. No tape.

FAIR- Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

Characters represented in this issue are copyright respectively by D.C Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark-Vanaheim, WaRP Graphics, Eternity, Harrier, Slave Labor Graphics, Kitchen Sink Comix, Tru Studios. Top 100 List copyright Capital City Distribution.

FUTURE PICKS

- Apple Comics has come up with a new winner entitled Vietnam Journal. The first issue sold out at stores very quickly. The story and art by Don Lomax are realistic- all indicators point to this title becoming very popular. Can it come close to Nam by Marvel in popularity? Well, we'll see. Color could be a factor.

- Predictions are coming in that DC's Millenium and Marvel's Fall of the Mutants were both underordered. If this is true and fan demand is great, this could be a real winner. Some dealers stated that they felt readers are getting tired of this type of maxi series and the story line going through various forms. But fans are reported to be eager for both!

- As the pendulum swings, so does the comic buyer's tastes swing back and forth. It seems like just a few years ago that Marvel could do no wrong in selling comics; now the pendulum is swinging to D.C. , and fast.

- When all seemed sad for old funny animal heroes dying the proverbial slow death, along came Mighty Mouse to save the day! Reports from many dealers across the country spotlight Mighty Mouse and Underdog as sell outs. Story lines are young adult oriented and shops near universities and colleges report excellent demand- it's too early to see any price increases, however.

- While Batman's Dark Knight has hit the level and sales are definately slower, Batman's hard cover Son of the Demon is busting out, price wise that is- Values shot up to $30.00 in less than ten days of mailing. Now reports are that it's still shooting up. Some dealers say the soft cover will kill it; we doubt it. Be sure to buy the soft cover or mavbe two if you can.

- Can Jon Sable translate into a T.V. series? If it does, (Creator Mike Grell, First Comics, and ABC T.V. think it will), all those early Sables will shoot up. Just look what G.I. Joe did! The show premieres in December, so you have just a couple of months to finish your run of Sables. We all hope Howard the Duck does not make a guest appearance!
